Dear **Pat**:

It is interesting that you seem resisting our fair and right queries although you did freely responding to our requests in the past.

1. Has someone improperly coerced you/pressured you/requested you/urged you to ignore us and to not send us the materials (i.e., financial statements, IRS documents) that we asked for?
  - 1.1. If your answer is YES, please disclose who the person was/is. Your job security shall not be threatened.
  - 1.2. If your answer is NO, please feel free to be free from fear and anxiety by exercising your professional conscience and protect your professional probity.
2. We've only come to know of you when you started responding to us on behalf of Francis Jeyaraj.  
N.B. We initially wrote Francis Jeyaraj, not you.
3. Did **Francis Jeyaraj** and/or anyone else ever improperly coerced you/pressured you/requested you/urged you to ignore us?
4. Did **Peter Hsu** and/or anyone else ever improperly coerced you/pressured you/requested you/urged you to ignore us and to not send us the materials (i.e., financial statements, IRS documents) that we asked for?
5. Did **Tom Meyer** and/or anyone else ever improperly coerced you/pressured you/requested you/urged you to ignore us and to not send us the materials (i.e., financial statements, IRS documents) that we asked for?
5. We seek your unvarnished answers and you shall be blessed for your voice of heart and soul.

Thank you and regards,  
Sang Joo Kim

Would you make available an audited financial statement of ISF 2008? **I can give you a copy of our 2007 financial statement.**
